Background:

Prior to providing funding for the provision of services to its local health system, the *Local Health System Integration Act, 2006* requires that the LHIN and the HSP enter into a service accountability agreement.

The service accountability agreement is a multi-year agreement. In this context, the HSP and the LHIN agree that the provision of services to the local health system by the HSP will be funded as set out in this Agreement.

 - (i) the LHIN may deduct the amount equal to the unused Interest Income from any further Funding instalments under this or any other agreement with the HSP; and/or
 - (ii) the LHIN may require the HSP to pay an amount equal to the unused Interest Income to the Ministry of Finance.

4.7 **GST.** The HSP:

- (i) acknowledges that all GST rebates it anticipates receiving from the use of the Funding have been incorporated in its Budget;
- (ii) agrees that it will advise the LHIN if it receives any unanticipated GST rebates from the use of the Funding, or from the use of funding received from either the LHIN or the MOHLTC in years prior to this Agreement that was not recorded in the year of the related expenditure;

All such settlements and recoveries will be subject to the terms applicable to the original provision of funding.
- 5.4 **Debt Due.**
- (a) If the LHIN requires the re-payment by the HSP of any Funding the amount required will be deemed to be a debt owing to the LHIN by the HSP. The LHIN may adjust future funding instalments to recover the amounts owed or may, at its discretion direct the HSP to will pay the amount owing to the LHIN
 - (b) All amounts repayable to the LHIN will be paid by cheque payable to the "Ontario Minister of Finance" and mailed to the LHIN at the address provided in section 13.1.

- (b) **Multi-Year Planning.** The CAPS will be in a form acceptable to the LHIN and will incorporate (i) prudent multi-year financial forecasts; (ii) plans for the achievement of performance targets; and (iii) realistic risk management strategies. It will be aligned with the LHIN's Integrated Health Service Plan and will reflect local LHIN priorities and initiatives. If the LHIN has provided multi-year planning targets for the HSP, the CAPS will reflect the planning targets.
- (c) **Multi-year Planning Targets.** Schedule B may reflect an allocation for the first fiscal year of this Agreement as well as planning targets for up to two additional years, consistent with the Term of the Agreement. In such an event,
 - (i) the HSP acknowledges that if it is provided with planning targets, these targets are (A) targets only, (B) provided solely for the purposes of planning, (C) are subject to confirmation and (D) may be changed at the discretion of the LHIN. The HSP will proactively manage the risks associated with multi-year planning and the potential changes to the planning targets.

6.2 Community Engagement & Integration Activities

6.3.2 **LHIN Evaluation of the Pre-proposal:** A pre proposal is not formal notice of a proposed integration under s. 27 of the Act. LHIN consent to develop the project concept outlined in a pre-proposal does not constitute approval to proceed with the project. Nor does LHIN consent presume the issuance of a favourable decision, should such a decision be required by section 25 or 27 of the Act. Following the LHIN's review and evaluation, the HSP may be invited to submit a detailed proposal and a business plan for further analysis. Guidelines for the development of a detailed proposal and business case will be provided by the LHIN.

6.4 **Proposing Integration Activities in the Planning Submission.** No integration activity described in subsection 6.3 may be proposed in a CAPS unless the LHIN has consented, in writing, to its inclusion pursuant to the process set out in 6.3.2

and "integration" has a similar meaning; and

- (ii) "service" includes,
 - (a) a service or program that is provided directly to people,
 - (b) a service or program, other than a service or program described in clause (a), that supports a service or program described in that clause, or

7.3 Performance Meetings

 - (i) discuss the causes of a Performance Factor;

- (ii) discuss the impact of a Performance Factor on the local health system and the risk resulting from non-performance; and
- (iii) determine the steps to be taken to remedy or mitigate the impact of the Performance Factor (the "Performance Improvement Process").

7.4 The Performance Improvement Process. The Performance Improvement Process will focus on the risks of non-performance and problem-solving. It may include:

- (i) a requirement that the HSP develop and implement an improvement plan acceptable to the LHIN and that maximizes overall performance while achieving a balanced budget over a fixed multi-year term;
- (ii) a revision and amendment of the HSP's obligations; and or
- (iii) an in-year, or year end, adjustment to the Funding;

among other possible means of responding to the Performance Factor or improving performance.

ARTICLE 8 - REPORTING, ACCOUNTING AND REVIEW

- (i) its CAPS is received after the due date;
 - (ii) its CAPS is incomplete;
 - (iii) the quarterly performance reports are not provided when due; or

- (c) HSP's obligations under this paragraph will survive any termination or expiration of the Agreement.

8.3 Document Retention and Record Maintenance. The HSP agrees

- (i) that it will retain all records (as that term is defined in the *Freedom of Information and the Protection of Privacy Act*) related to the HSP's performance of its obligations under this Agreement for seven (7) years after the termination or expiration of the term of the Agreement. The HSP's obligations under this paragraph will survive any termination or expiry of the Agreement;

12.3 Opportunity to Remedy.

- (a) **Opportunity to Remedy.** If the LHIN considers that it is appropriate to allow the HSP an opportunity to remedy a breach of the Agreement, the LHIN may give the HSP an opportunity to remedy the breach by giving the HSP Notice of the particulars of the breach and of the period of time within which the HSP is required to remedy the breach. The Notice will also advise the HSP that the LHIN will terminate the Agreement

Total expenditure	\$2,955,758	\$3,258,180	<10%
Total revenue	\$ 3,680,288	\$4,026,149	<10%

There is no significant variance in the planned and actual results in the chart above. The MH-Short Term Crisis Support Beds program is awaiting municipal approval to initiate capital renovations however client service has started from a temporary location as of the end of October 2008. This challenge has provided the opportunity for CMHA Halton Region to align service provision with geographical needs. We are in the process of planning to provide the service from the pre-determined location site and to also provide service in other areas such as North Halton where transportation has been identified as a barrier. Service provision may also be provided in a 'safe place' of the client's preference (e.g. family member's home) which is in agreement with LHIN IHSP Integration Vision.

E. Changes to Operations Summary - Changes that are being considered for 2009/10- & 2010/11 Fiscal Years

- ❖ Moving resources from *PC-MH Social Rehab/Recreation 72 5 10 76 81* functional centre to *Case Management MH 72 5 09 76* centre to provide needed case management services. This is more in step

- ❖ Moving an FTE from *PC-MH Social Rehab/Recreation 72 5 10 76 81* functional centre to *COM Info & Referral Service-Mental Health 72 5 70 76*. to provide one-stop, one-call centralized info/referral access for mental health/addictions through the co-located location.
